Our school:

“Donoso Cortés” Secondary School
Juan Donoso Cortés, *Marquess of Valdegamas*, was a very important thinker, politician and Spanish writer in the 19th century.
The school was built during the school year 1955-56. The current building was opened in 1967.
In the beginning the school was only for male students. In the school year 1965-66 started to be a coeducational school.
In our school you can find:

- Secondary education (4 four years)
- Bachillerato (2 years):
  - Natural Science and Health
  - Humanities and Social Science
- Intermediate Level Module: “Resources of Computers Systems” (2 years)
- Upper Level Module: “Applications and Computers Development” (2 years)
- Initial Vocational Training Program
In our school, there is a computer for each couple of students.
These are our facilities:
Headmaster’s office

Staff room
Canteen
Technology workshop

Science lab
Assembly hall
Bachillerato building
Gym
Six years ago (2005-06), we celebrated the 50th Anniversary of our school.
