

## Building their Tomorrows, Today! Sirocco! Comenius Project

<b>TITLE</b>	Activities of concentration on professions
<b>NUMBER OF PARTICIPANTS</b>	A class of students
<b>OBJECTIVES</b>	
<ul style="list-style-type: none"> <li>• Include children/adolescents with Hyperactivity;</li> <li>• Promote the ability of concentration;</li> <li>• Promote the ability to observe the other;</li> <li>• Promote the physical control and child mental;</li> <li>• Promote the stability of the child;</li> <li>• Promote the commitment school.</li> </ul>	
<b>COMPETENCES</b>	Be able to identify, recognize, identify, complete words on professions.
<b>Material needed</b>	<ul style="list-style-type: none"> <li>- Tip pens/pencils;</li> <li>- Card/cardboard;</li> <li>- Scissors;</li> <li>- Glue;</li> <li>- Printed images.</li> </ul>
<b>DESCRIPTION</b>	<p>The children will be seated at a table and/or in a circle in front of a score which will be several images of professions. The children will have to find the correct words to form the name of the corresponding profession. The game of the differences is to find the differences between a picture and another, always with the help of a teacher. The game of crossword consists in using the description of a sentence children to discover the profession that this corresponds and spell the same on the squares. The game of alphabet soup consists in discovering the various words that will be on one of the corners of the sheet. The game of the riddle is to complete the name of the profession given by images by removing only the first letter of each image at the top of the squares in white always with the help of a teacher.</p>
<b>NUMBER OF SESSIONS</b>	1 session / 1 hour
