# Christmas Advent I

Four weeks before Christmas, every Monday morning we'll have a small concert where twelfth grade performs us Christmas songs and dances.

Sometimes  
even  
teachers  
perform us  
some songs  
or dances.

# Advent

# Christmas market.

Every year we have Christmas market where kids are selling their hand made things.

# Christmas party with High school students.

# Christmas party for elementary school.

# St. Catherine's Day

At St. Catherine's day some kids are dressing themselves as old women and run all over the school and in the same time they are dancing and singing to get some candy.

# Skiing

Our kids take part in every competition which include skiing in winter.

# City of snow

Almost every year we have a Snowcity contest, who builds the better town.
