

PROJECT: BUILDING THEIR TOMORROWS, TODAY! SIROCCO!

MOTIVATION OF PUPILS

This questionnaire intends to evaluate effects of the project on pupil motivation at the end of the year

INDICATORS of effects

- The pupil asks more often for extra work within the project
- The pupil is willing to study harder
- The pupil pays more attention in the classroom
- The pupil takes part more often in extra curricular activities
- The pupil feels an 'ownership' for the project

	1 Never	2 Rarely	3 Sometimes	4 Often	5 Always
Were you involved in this project from the start?					
Were you involved in the decision making process for this project?					
Were your ideas taken into account when this project was conceived?					
Do you feel this project is useful for you?					
Did you accept responsibilities for part of the project activities?					
Did you do extra work (outside school hours) for the project?					
Did you have to motivate fellow students?					
Did you have to work harder when deadlines came near?					
Did you participate on meetings?					
Are you happy with the results?					
Are you proud of being a member of the team?					
Did you use equipment/hardware in order to develop the project activities?					

Did you improve your knowledge of the English Language?					
Did you feel more commitment to the school?					
Did you try to acquire and improve new skills?					
Would you encourage colleagues to take part in European projects?					
Did you enjoy working on the project?
